If you feel that you may want to increase your child's attendance throughout the year, please make a note here of what you would like & when, so that we can make provisional arrangements, to avoid disappointment:

The term after your child turns 3 years old, they are entitled to Nursery Education Funding, which covers fees up to a maximum of 15 hours per week for 38 weeks of every academic year. Some 2 year olds may be entitled to 2 year old Funding - this is subject to certain criteria. Your child is entitled to attend 5 sessions each week but is welcome to attend the sessions which are most suitable for them. Once your child is entitled to Nursery Education Funding, we ask that they attend a minimum of two 3 hour sessions per week.

Where did you hear about our playgroup?

If we find that we no longer need the place, we will inform the pre-school as soon as possible.
