

Stratton Playgroup Early Starts

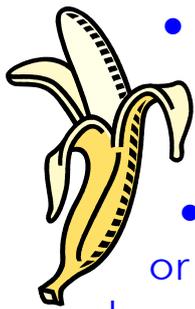

Welcome to Stratton Playgroup's **Early Start Breakfasts**.

We hope that your child enjoys this extension to the sessions and benefits from the experience of eating with their peers; as well as helping them to develop a range of social skills during breakfast time.

We have set out an introduction to our Early Start Breakfasts below:

- The children will be offered – a range of fruits, cereals, yogurts and toast (waffles, and pancakes may also be offered on occasions, we will take part in some voting with the children to see their preferences).

- The early starts open from 8.15am and all children who are attending must be in the playgroup by 8.30am at the latest.

- The session will cost £4.20 (the cost will be the same with or without breakfast), the cost of early starts can be covered by your funding - one early start will use $\frac{3}{4}$ hour of your funding.

- We would appreciate it if these sessions can be booked in advance, but we do have some flexibility if you need to book in at the last minute.

- All children and staff will follow basic food hygiene procedures: washing hands before eating breakfast and staff will thoroughly clean eating surfaces prior to children sitting down to eat.

- Children are encouraged to look in the mirror after & wipe their faces.
